

# Hi, I'm Vishwanath

Full-Stack Developer & UI/UX Designer passionate about creating exceptional digital experiences

[Download CV](#)[Get in Touch](#)

## About Me

Passionate developer with a keen eye for design and a love for creating meaningful digital experiences.

I'm a full-stack developer and UI/UX designer with over 5 years of experience creating digital solutions that bridge the gap between design and functionality. My journey started with a Computer Science degree and has evolved through working with startups and established companies.

I believe in the power of clean code, intuitive design, and collaborative problem-solving. When I'm not coding, you'll find me exploring new technologies, contributing to open-source projects, or mentoring aspiring developers.

5+ years of professional experience

20+ successful projects delivered

Full-stack development expertise

User-centered design approach

### Education

Bachelor's in Computer Science  
SDM College of Engineering & Technology

### Location

Hubli, India  
Open to remote work

### Experience

5+ Years Professional  
Full-Stack Development

## Services
